- **More Google Certified Professionals at Endai Worldwide**
- **Serial Tech Entrepreneur Leonard A. Lufrano named Endai Worldwide CIO**
- **Introducing: <http://careers.endai.com>**
- **About Endai Worldwide**

Endai Worldwide: Member of the **Inc.5000**

Endai Worldwide is proud to announce that we have been selected to the **Inc. 5000** - the fastest growing US companies. Endai is recognized for its fast growth and full service online marketing solutions that produce thousands of leads and sales for our Clients every day.

MessageTraq Email Marketing Platform

MessageTraq continues to grow and improve its value to our Clients. With the email marketing industry projected to double in size over the next year, Endai's [MessageTraq 2008](#) is situated at the top of the Email Service Provider category. We are pleased to welcome a new member to the MessageTraq team; **Cleveland Edwards** joins a growing Deliverability and Client Services team, working with ISP's to ensure our Client's emails get to the inbox. Watch for upcoming [MessageTraq](#) 2008 upgrades that will be leveraging best-in-class behavioral targeting that look to increase an already impressive ROI.

Extra Extra! Endai in the Press

Endai Worldwide is regularly covered by major media, including [e-Marketer](#), [DM News](#), [eMediaWire](#), among many others. To read more about what the media says about Endai Worldwide, please visit <http://news.endai.com>

More Google Certified Professionals

Two of our Endai team members, **Jennifer Gustafson** and **David Pucik** (*seen here*) have recently become **Google Adwords Certified**. David and Jennifer are in our eServices division, now increasingly valuable contributors to the search engine optimization element of our growing company.

Serial Tech Entrepreneur Leonard A. Lufrano named Endai Worldwide CIO

Endai Worldwide has enhanced its technical leadership with the addition of "Lenny" Lufrano as our CIO. Lenny brings over 30 years experience in business solutions, technology and process optimization to Endai Worldwide. As CIO at Endai, he is focused on aligning the solutions Endai develops with the business needs of our Clients. He also provides strategic leadership in development of our proprietary MarketTraq 2008 Software Suite.
